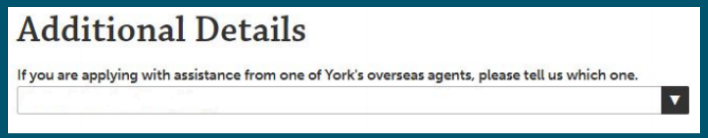
Postgraduate Agent Linkage Process - Pre-application

Agent Portal Login

Postgraduate application via Agent Portal

Agent logged as nominated representative on application form



Please ensure the Home/ Applicant Address details are those of your student NOT the agency. Agency details can be included in the Contact Address section to receive email updates.

The email address MUST belong to your student.

Agent selected

Agent not selected

Agent linked to applicant in the Agent Portal once application submitted

Agent requests 'applicant linkage' through the Agent Portal

University of York contacts applicant to confirm linkage.

NOTE: there may be a delay in the applicant confirmation response, during this time agents will be unable to access the application in the Agent Portal. Upload requests via email are unable to be accepted.

Applicant confirms agent linkage

Applicant rejects agent linkage

Applicant linkage complete - agent can now access the application and update contact details in the Agent Portal

Applicant linkage rejected - agent can email international-agents@york.ac.uk with any questions
