**UNIVERSITIES
RATED GOLD FOR TEACHING
AND TOP 10 FOR RESEARCH***

*Gold in the most recent Teaching Excellence Framework (2023), and Joint 10th in the Times Higher Education ranking of the most recent Research Excellence Framework (2021).

THE CITY OF YORK

Our idyllic parkland campus is within walking distance of the bustling city centre, which means you can enjoy the best of both worlds.

York is a contemporary, student-friendly city, renowned for its rich history and heritage. With a population of over 200,000, it's a buzzing city that's big enough to feel vibrant and small enough to feel like home.

Shopping and eating: high-street favourites and cosy cafés

Major retail chains and independent stores share York's iconic medieval streets. And if you need a bite to eat, the city boasts a thriving street food scene, high quality restaurants and quirky coffee shops.

Nightlife: creative hotspots and impressive venues

From quirky pubs to popular clubs, York has a diverse mix of venues that showcase aspiring musicians and established acts. The city is also home to a range of museums and galleries, as well as two theatres and a choice of cinemas.

City life: green spaces and interactive attractions

Ranked the second safest city in England and Wales (Get Licensed 2023), York is one of the best places to live and visit in the UK. It has a wealth of activities and welcoming spaces for you to enjoy. Have a picnic in the Museum Gardens or stroll around Rowntree Park, with its play parks and café, and enjoy fantastic views of York Minster from Dean's Park.

Well connected: idyllic countryside and sweeping coastlines

York's central location is perfect for exploring other UK and European cities. London is only two hours away by train and you can reach Edinburgh in two and a half hours. The beautiful Yorkshire countryside and coastline are also on our doorstep.

Travel independently or as part of a group to make friends and memories. The University of York Students' Union often arranges trips to cities, national parks and the coast. Find out more: yorksu.org

"I love the history of York.

The city walls, the rivers, the arches, the gardens: everything in York tells a story. In a few short months, York has become home for me. **The city is charming, always bustling, yet somehow comfortable.**

I believe York is the perfect blend of history and modernity."

Ishah, India

"I feel blessed to be able to live in York. I love having the comfort and safety of the city combined with many tourist attractions and amazing lush greenery. **This is a city like no other!"**

Weng Lum, Malaysia

York city guide

CAMPUS LIFE

Our beautiful parkland campus provides everything you need to make the most of your university experience.

Colleges

You will join one of the University's eleven colleges at York. These small, distinct communities will become your home from home. Your college will provide you with a network of support, friendship, facilities, and a full calendar of events and activities to help you settle in.

Culture and entertainment

It's important to unwind during your studies. Whatever you're interested in, you'll find something to enjoy.

On-campus, we have:

- our very own student-run theatre, The Drama Barn
- a cinema run by students, for students, staff and the public
- a whole host of student societies dedicated to music, dance, drama and comedy
- a rich programme of free open lectures and inspirational events such as YorkTalks, our annual research showcase
- York Festival of Ideas, featuring hundreds of free events to educate, entertain and inspire, including talks, exhibitions, theatre, music and film.

University of York Students' Union

The University of York Students' Union is here to help you make the most of life here in York. Join student-run sport and social societies. Attend a variety of events on campus. Get welfare support when you need it. Campaign on the issues that are important to you. There is so much to explore! Find out more: yorksu.org

International Students Network

The International Students Network is a student group that exists to represent international students' interests, run social events and offer support. Find out more: yorksu.org/activities/view/international

Societies and sport

There are over 200 student-run societies and over 60 sports clubs for you to get involved in. You don't have to be an expert or pro to join – it's all about new experiences, making friends and having fun. The award-winning York Sport Village and York Sport Centre also provide a choice of excellent sports facilities.

Food and drink

The campus is packed with places to eat and drink and we cater for a diverse range of dietary requirements. There is also access to convenience stores, where you can pick up your groceries and essentials.

Getting around

We're situated just outside York city centre, and everything is within walking or cycling distance. You can also use the fast and frequent bus service that runs between both parts of campus and on to the city centre and station. York is one of the UK's most cycle-friendly cities and we have plenty of cycle racks on campus. Explore campus highlights: york.ac.uk/study/international/meet-us/campus-tours/

Our commitment to equality, diversity and inclusion

Being an international, research-led university relies on equality in participation, progression and success for all. We are committed to creating a working, learning, social and living environment that will enable all our students and staff to achieve their potential. Our students will experience and celebrate diverse cultures, knowledge and identities and are encouraged to make a positive contribution to the city, region and beyond.

"Student societies are probably one of my favourite things at university. With over 200 different societies at York, you are sure to find something that you enjoy.

From sports such as netball or football to something as specific as hummus making, there's a group for everything and everyone."

Colombe, Switzerland

A TASTE OF HOME

A student guide to York's Asian cuisine

Margaux
BA History
(Malaysia)

One of my favourite things about York is the variety of restaurants and cafes. I love eating out, sharing a meal and exploring new cuisines. As an international student from Southeast Asia, I'm always looking for ways to experience the comfort of home while studying in the UK. Luckily, York offers a number of fantastic restaurants serving familiar food. I took myself on a culinary journey to see if I could find a taste of home in York.

FIND OUT MORE
Student stories

IPPUKU TEA HOUSE

This Japanese restaurant serves a number of home-style Japanese dishes and teas. I decided on the Gyu-Don, which was warm and filling. The star of my meal was the Hōjicha, a smoked green tea which had a slight caramel flavour. I enjoyed my food in their peaceful enclosed seating area. Ippuku also offers a takeaway drinks menu, and tasty baked goods.

NANA NOODLE BAR

This restaurant serves Thai street food with dishes familiar to much of Southeast Asia. I tried the chicken satay with rice and peanut sauce, which reminded me of my home country of Malaysia. The food came quickly and was steaming hot! Everything tasted fresh and was perfectly cooked. I took my food to go and enjoyed it in my favourite spot in York - the Minster.

PHRANAKHON

This hole-in-the-wall Thai restaurant is designed for company, with a large variety of tapas dishes to share. I chose five dishes to share with a friend, including duck with tamarind sauce and crispy pork belly. My favourite was the green papaya salad, which has a sweet flavour and crunchy texture. Steamed rice is recommended as a side, particularly with the red curry with lamb that I choose. The curry was the spiciest of the dishes, but maintained a good level that was not too overpowering.

COTO

Situated on Swinegate, this cosy Vietnamese restaurant serves delicious small bites and substantial main dishes. My picks were crispy vegetarian spring rolls (Nem Chay) served with a sweet and tangy dipping sauce and stir fried noodles with beef (Phở Xào Bo). Everything was the perfect balance of spicy and sweet, and all-round incredibly tasty. The atmosphere of the restaurant was so relaxed and friendly.

OSHIBI

Tucked away in the heart of York, this Korean restaurant serves grill-your-own barbeque and a range of other delicious dishes. I tried the barbeque buffet, which offers you a choice of meats. I also decided to try a yuzu lemonade, which was very refreshing! Everything in the barbeque was delicious. I had a variety of side dishes along with the meat, including mandu, fried prawns and fish cakes.

ACCOMMODATION

All our accommodation is located on or very near campus and is centred around our colleges. Each college has a welcoming, supportive community, so you will soon feel at home.

What are my room options?

Self-catered or catered

We offer self-catering and catered options. Both include access to a shared kitchen. Catered accommodation provides breakfast and evening meals during semester time, Monday to Friday, and is available for undergraduate students.

En-suite or shared bathroom

Our rooms either have an ensuite bathroom or a washbasin in the room with access to a shared bathroom.

Let lengths

For undergraduate students our rooms are available for 40-week and 44-week lets, which include winter and spring vacations. All our postgraduate rooms are available for at least 50 weeks, which includes the winter, spring and summer vacations.

Additional requirements

We have rooms suitable for students with health or disability support requirements. You should mention these requirements in your accommodation application.

Families and couples

If you are bringing your family or partner with you to the UK it may be possible to stay in accommodation on campus. Only one person in the couple or family needs to be a full-time registered student to be eligible to apply.

Costs

All costs are listed on the website, costs for 2026/27 will be available in early 2026: york.ac.uk/study/accommodation/rooms-prices

What is included?

- bedroom, room types include en-suite with shared kitchen and shared bathroom with shared kitchen
- Wi-Fi and 100Mbps wired internet access with no download limit in every bedroom
- electricity, heating, water, and contents insurance
- 24-hour campus security presence
- college membership and support.

Find out what to bring with you: york.ac.uk/international-packing

Prioritised accommodation

As an international taught student, you will be prioritised for an offer of accommodation that is owned, managed or approved by the University. See our website for further details: york.ac.uk/accommodation

Living off campus

There is private sector accommodation within walking distance of the University if you do not want to live on campus. Rents vary and may not include bills for water, electricity, heating or internet access. See more: york.ac.uk/private-sector

Colleges

You will be a member of one of our eleven colleges throughout your time at York. Your college will provide you with a network of support and a calendar of events and activities to help you settle in, make friends and explore interests. Find out more: york.ac.uk/college-life

SUPPORT AND WELLBEING

Our support network is here if you need it.

International student support

We will help you settle in through our orientation events including a Manchester Airport collection service at set times of the year, a Welcome Week in September and immigration advice. You can also get to know others through the student-run International Students Network.

College team

Our colleges are supported by a team of staff and students who are here to support you and help you make the most of college and university life.

Personal supervisor

A personal supervisor will support you through your studies. They will advise you on your academic progress, personal development, and more.

FIND OUT MORE
Student support

Student Hub

The Student Hub is home to our International Student Support team and is a first point of contact for support and advice. Chat to our team about issues such as money management, housing advice and academic progress issues. We also have Open Door, a team of mental health professionals providing support to students, while our Disability Advisers offer support, advice and guidance to students with a diagnosed disability.

Students' Union

If you need independent guidance relating to your course or personal matters you can talk to York SU Advice and Support.

Chaplaincy

The Christian chaplains at the University are available to people of all faiths and none. There is also a network of contacts from other world faiths and dedicated spaces for prayer and reflection on campus.

Health services

The health centre closest to campus, Unity Health, offers doctors' appointments, a repeat prescription service and walk-in clinics.

CAREERS

We offer dedicated careers services for international students.

York Strengths

This flagship programme helps you identify your professional transferable skills and what you enjoy most. This is likely to be part of a module if you are a first year undergraduate student. York Strengths is open to all University of York students.

Professional network

We provide networking opportunities at regular careers fairs and events (on campus or online) and the chance to explore job opportunities.

Learn from experience

We offer volunteering initiatives to broaden your leadership and organisational skills. Students also receive advice on part-time work, internships and Placement Years that fit in with your visa requirements. We'll also support you to understand your options for working in the UK or preparing to find work back home. You can also apply to be a paid

international student ambassador and help support future students on their journey to York.

Careers Ignition Hub

When you accept your offer, you'll get free, unlimited access to Student Circus—a careers platform tailored for international students. Explore job listings, immigration guidance, a job seeker's toolkit, and online learning via the Career Ignition Hub.

York for Life

Our support doesn't end when you graduate. York for Life is our brand new programme of events, opportunities and offers tailored for our alumni. You'll be able to connect with alumni in your country, tap into learning resources and receive careers advice.

FIND OUT MORE
Careers support

PREPARATION AND ARRIVAL

Once you have accepted your place there are a few things you need to know before you arrive.

Before you leave home

Visa information

If you have accepted your offer and require a student visa, you can request your Confirmation of Acceptance for Studies (CAS) online via You@York, our online application portal. Once your CAS is issued, you can apply for your student visa. Our International Student Support Team offers help and support with your student visa application. Find out more: york.ac.uk/immigration

Healthcare

You will need to pay an immigration health surcharge if you require a student visa. This entitles you to receive free health services from the National Health Service (NHS). On arrival at York you can register with a doctor/general practitioner (GP) at Unity Health, next to the campus. If you require medical treatment in the UK, a full up-to-date vaccination record (in English, if possible) will help you get the best care possible. You should also bring the packaging for any ongoing medication required. There are additional charges for dental treatments available on the NHS.

Student view

Travelling to the UK

International student Margaux (Malaysia), shares her top tips for travelling to the UK:

Itinerary: Know what happens when you arrive, where to go and who to meet to help you with the rest of your journey to York. This will keep your stress levels to a minimum.

Paperwork: Be overprepared. Bring copies of anything and everything you think you could need. Most importantly, make sure you can always access your acceptance email, your Confirmation of Acceptance to Studies (CAS), and you have your visa with you at all times.

Packing: Prioritise items with sentimental value. You can get all the essentials like bedding and kitchenware when you arrive in York.

Accommodation: Ensure your accommodation in York is confirmed before you begin travelling, and make sure you know when your move in day is.

new students**

Arriving at York

Airports

We recommend that you arrive at Manchester Airport if possible. We offer a free Manchester Airport collection service in September, where you will be welcomed by University staff and students. You can book your place online after completing enrolment. Alternatively, you can get a train from the airport which takes around one and a half hours. Other nearby airports are Leeds-Bradford and Newcastle International. Find out more: york.ac.uk/airport-collection

The first week

At the beginning of Semester One, the University of York Students' Union and colleges organise activities and events to help new students settle in. There are also different events specifically for international students. You'll get to know your new surroundings and meet new people.

Semester dates

Our academic year is split into two semesters with winter, spring and summer vacations, plus a summer semester for postgraduates. See a full list of semester dates: york.ac.uk/semester-dates

STUDY AT YORK

Why study in the UK?

A UK degree is recognised worldwide by employers and government agencies.

Live and study in a multicultural environment: the UK is home to over 700,000 international higher education students (HESA 2023/24).

Find out more about the benefits of studying in the UK: york.ac.uk/study-in-uk

Types of course

Undergraduate degrees

An undergraduate degree (known as a Bachelors) typically lasts three years. There are also some four year and five-year degrees which might include a work placement, a year abroad or a Masters year (known as an Integrated Masters) with more advanced study. Many courses specialise in a single subject and we offer some joint or combined honours degrees.

Qualifications include:

- Bachelor of Science (BSc)
- Bachelor of Arts (BA)
- Bachelor of Engineering (BEng)

- Integrated Masters (for example, MBiol, MChem, MEng, MMath, MPhys and MSci)
- Law (LLB)

Postgraduate taught

A Masters, or other specialist postgraduate taught degree, will help you develop and build upon the skills and knowledge learned at undergraduate level. They typically last one year.

Qualifications include:

- Master of Science (MSc)
- Master of Arts (MA)
- Master of Business Administration (MBA)
- Master of Engineering (MEng)
- Master of Law (LLM)
- Master of Public Administration (MPA)
- Master of Public Health (MPH)
- Postgraduate Certificate and Diploma (PGCert and PGDip)

A range of online and distance learning postgraduate courses are also available.

Postgraduate research

Research degrees are the highest degree awarded by UK universities. They allow you to take an in-depth study of a particular topic.

Qualifications and typical duration:

- Doctor of Philosophy (PhD)
 - three to four years
- Master of Arts (MA) by research
 - one year
- Master of Science (MSc) by research
 - one year

We offer some four-year PhDs and a small number of online and distance learning PhDs.

International pathway courses

Our specially designed courses will help you prepare for degree-level study at York. Study at our International Pathway College on campus and benefit from outstanding teaching by University staff. If you complete the course to the required level, you will be guaranteed a place on your chosen degree.

We also have International Year One programmes available for certain schools and departments.

Undergraduate pathway courses

The Foundation Certificate programme is available in the following subject areas:

- Foundation Certificate for Business, Law and Social Science
- Foundation Certificate for Sciences and Engineering

See further information: york.ac.uk/ipc

Study Abroad at York for a semester or year as a visiting student

You'll be fully involved in both the academic and social side of life at York, both on campus and in the city. It's a great way to immerse yourself in a new culture while continuing your full-time supervised studies. There are lots of ways to join us:

- through a partner university
- via a government programme
- as part of your junior year abroad
- with a third-party provider
- as an independent applicant.

Whatever your route, we'll help you make the most of your time here at York. Find out more at: york.ac.uk/visitingstudents

Postgraduate pathway courses

The Pre-Masters courses are available in the following subject areas:

- Business, Law and Management
- Education, Media and Social Sciences
- Science, Technology, Engineering and Mathematics

See further information: york.ac.uk/ipc

Pre-sessional English courses

Pre-sessional programmes help you to develop your academic language and skills with options to study both on campus and online.

If you need to meet language requirements, we will support you in developing your language and skills within an academic context. This will help better prepare you for your academic life, and students often report feeling more prepared for their degree after studying these programmes.

Our shorter courses are excellent for students who have already met their language requirements, but would like an introduction into academic life at York, along with improving your existing academic language and skills in advance of your studies.

If you are applying for a pre-sessional English language course and require a Student Visa, you must take a UK government-approved Secure English Language Test. After you have accepted your offer, we will confirm which pre-sessional course you should apply to online via You@York, our online portal where you can manage your application.

See further information:
york.ac.uk/presessional

FIND OUT MORE
Study options

Teaching and assessment

Academics who are leaders in their fields design our courses to inspire and support you to graduation and beyond.

Academic support

You will get the guidance you need from your tutors and academic supervisor and through assessment and feedback, such as coursework, projects, group work and exams.

Flexible options

Many courses allow you to pursue areas of interest by choosing from optional modules within your degree, or in some cases from another subject.

Assessment methods

Assessment methods vary by subject area and module. A combination of examinations, practical work, essays, dissertations, project work and oral assessment may be used.

Tailored teaching styles

You may attend small group tutorials, as well as larger group seminars and lectures, depending on your course. Many modules feature online resources and self-directed learning methods to use out of the classroom.

FEES AND FUNDING

Discover your funding options to help with tuition fees and living costs.

Tuition fees

International tuition fees depend on the type of course. A full list of our tuition fees can be found on our website. Find out more: york.ac.uk/study/international/fees-funding

Masters fee discount

Once you have successfully completed a York undergraduate degree or short course, you could be eligible for a ten per cent tuition fee discount on a Masters degree at York.

Annual fee increases for international students

If you are an international student and your course is longer than one year, you should be aware that the tuition fee in following years will be subject to annual increases. You should take this into account in your financial planning.

The fees quoted in your offer letter are normally for one year of study. Fees are subject to increase in subsequent years in line with the prevailing Consumer Price Index (CPI) inflation rate (up to a maximum of 10%).

Funding support

As a university for public good, York offers a wide range of scholarships and awards to help talented students from all backgrounds achieve their goals. We offer scholarships, bursaries and other funding to help you with tuition fees and living expenses.

Find out more about undergraduate funding: york.ac.uk/ug-overseas-funding

Find out more about postgraduate taught funding: york.ac.uk/study/postgraduate-taught/funding/international

“The University of York helps you to improve your employability skills.

My first work experience was that of an International Ambassador, a position I still love working at even today. With help from the Careers and Placements team, I was also able to secure an internship.”

Navin, India

Living costs

You can find information on living costs and budgeting on our web pages:

Undergraduate:
york.ac.uk/living-costs

Postgraduate:
york.ac.uk/pg-living-costs

Work while you study

You could take on a part-time job, such as becoming an International Student Ambassador, to help cover costs, develop skills and strengthen your CV. If you are on a full-time Student Visa you can work up to 20 hours per week in term-time and full time during vacation periods. This is based on current UKVI policy and is subject to change.

Fees and funding

APPLYING: UNDERGRADUATE

Here is your quick guide to applying. You should also read our detailed guidance: york.ac.uk/ug-apply

1. Check the entry requirements

Find requirements for your country: york.ac.uk/yourcountry. You can also find the entry requirements for your chosen course on the course web page.

2. Explore funding options

Various funding options are available to help with tuition fees and living costs. Be sure to check the funding application deadlines.

3. Complete your application

Prepare your personal statement and apply online: ucas.com

4. Track your application

You can track your undergraduate application online via UCAS Hub. There are two types of offer you might receive from us:

- **conditional** – you still need to meet some or all of the conditions of your offer
- **unconditional** – you have secured your place.

Important information

Interviews

Some departments may require you to submit a self assessment, samples of work or attend an interview.

Language requirements

If you are a non-native English-speaking applicant you must provide evidence of your English language ability. If you need to meet a language condition, you may be able to take a pre-sessional language course for entry to your chosen degree. More information: york.ac.uk/ug-apply

International pathway courses

If you do not meet the entry requirements, some of our courses offer you the opportunity to prepare for entry via a Foundation Certificate programme. More information: york.ac.uk/ipc

5. Read the terms and conditions

If your application is successful, you will be notified of your offer via email. If you have been awarded funding, ensure you have read the terms and conditions in your award letter too.

6. Submit documents

You may need to submit the necessary documents to meet any conditions of your offer.

7. Apply for accommodation

Key dates: york.ac.uk/accommodation

8. Apply for your visa

If you require a Student Visa to study in the UK, you will need a Confirmation of Acceptance for Studies (CAS). You can request your CAS after you have accepted an offer. We can issue your CAS once your offer becomes unconditional, and not longer than six months before your course starts.

9. Enrol online

In August, once your place is confirmed, we will email you about how to set up your IT account and complete enrolment.

10. Prepare to join us at York

Find out what to do before you arrive and learn about our free airport collection service from Manchester: york.ac.uk/international-new

Applying

FIND OUT MORE
Personal statement guidance

APPLYING: POSTGRADUATE

Here is your quick guide to applying. You should also read our detailed guidance: york.ac.uk/pgt-apply

1. Check the entry requirements

Find requirements for your country: york.ac.uk/yourcountry

You can also find the entry requirements for your chosen course on the course web page: york.ac.uk/pgt-courses

2. Check the deadline

The deadline for international applications is published on our web pages and you are encouraged to apply early, as entry is competitive. Some courses have different deadlines throughout the year.

3. Explore funding options

We offer scholarships, bursaries and other funding to help you with tuition fees and living expenses. Be sure to check the funding application process and deadlines.

4. Complete your application

Supply your supporting documents and submit your application online. **We do not charge an application fee.**

5. Track your application

You can track your application online and upload any final supporting documents via our application portal You@York.

6. Read the terms and conditions

If your application is successful, you will be notified of your offer via email. There are two types of offer you might receive from us:

- **conditional** – you still need to meet some or all of the conditions of your offer
- **unconditional** – you have secured your place at York.

Your offer letter will be available online at You@York. If you have been awarded funding, ensure you have read the terms and conditions in your award letter too.

7. Apply for accommodation

Further information on accommodation options and for key dates: york.ac.uk/accommodation

8. Apply for your visa

If you require a Student Visa to study in the UK, you will need a Confirmation of Acceptance for Studies (CAS). You can request your CAS after you have accepted an offer. We can issue your CAS once your offer becomes unconditional (and for most postgraduate taught courses, after you have paid any required tuition fee deposit) and not longer than six months before your course starts.

9. Enrol online

Once you have accepted an unconditional offer, we will email you about how to set up your IT account and complete enrolment. This will usually arrive around six weeks before your course starts.

10. Prepare to join us at York

Find out what to do before you arrive and learn about our free airport collection service from Manchester: york.ac.uk/international-new

Important information

Applying for a research degree

If you are applying to a research degree you should visit department web pages and contact potential supervisors to discuss research areas before you apply. This will help to ensure a proper match between you and your prospective supervisor.

You will also need to prepare a research proposal with your application. It must outline the topic of your proposed research and the questions it addresses.

What supporting documents do I need?

You will need to supply us with:

- an academic transcript
- CV (optional)
- details of your referees (if requested).

FIND OUT MORE

Applying

Some courses also require a sample of your written work to further demonstrate your suitability. Find out more: york.ac.uk/pg-written-work-requirements

Language requirements

If you need to meet a language condition, you may be able to take a pre-sessional language course for entry to your chosen degree. More information: york.ac.uk/pg-apply

Pre-Masters pathways

If you do not meet the entry requirements, some of our Masters courses offer you the opportunity to prepare for entry via an international Pre-Masters course. More information: york.ac.uk/ipc

UNDERGRADUATE COURSES

Courses last three years unless stated otherwise. Once you start your course you can explore study or work abroad opportunities. There is also an optional placement year as part of your degree. Search our courses: york.ac.uk/study/undergraduate/courses/all
