<p><i>Note: This document uses the word 'women' throughout. This should be taken to include people who do not identify as women but are pregnant or who have given birth.</i></p>			
<p>Assessment title Reflective evaluation</p>			
<p>Assessment guidance The summative assessment for this module is a reflective evaluation. You are required to identify, plan, undertake and evaluate an agreed educational activity, for example:</p> <ul style="list-style-type: none"> • a peer teaching/learning opportunity to Stage One or Stage Two students • a parenting education session for a woman/women and/or partners • an engagement activity for prospective midwifery candidates <p>Your reflective evaluation should include:</p> <ul style="list-style-type: none"> • Details of your agreed educational activity and the rationales for this. • Clear articulation of how you planned, executed and evaluated your activity. • Demonstration of your understanding and application of relevant educational/learning theory to the planning, execution and evaluation of your activity. • Reflection on what you have learnt from planning, delivering and evaluating the educational activity, and how this learning will inform your future actions. • Critical reflection on how engagement throughout educational activity has contributed to 'strengthening your professional self'. • Demonstration of appropriate reading in relation to your educational activity, its focus, audience and professional standards of practice and behaviours which embody excellence as a midwife scholar. <p><u>Formative support</u> Following agreement of your proposed planned educational activity with the module leader/team member, submission of a (500 word) draft plan or section of your reflective evaluation for written feedback, according to the assessment schedule.</p>
